

DIVERSITY MAKES aMERICA bEUTIFUL, AND mUSIC IS THE LAST WILD HORSE
to Be Wrangled.

Let it Run Free or you risk losing Control of your choice of what
you prefer and when you prefer it.

Would you eat the same food everynight of the week?

Our world is being controlled by E-mail Pop-ups and Bad Advertising
on the Radio. Let there remain a place where a passionate person
can play the music they are passionate about. There is enough money
to go around, share the PIE Please.
